CERF \_\_      ERG \_\_      Patella \_\_      Hips \_\_      Thyroid \_\_      MRI(SM) \_\_

\*The tests listed above apply only to the dog/bitch tested on the date indicated. Testing does not suggest or guarantee that puppies produced will be free of these health conditions. A dog/bitch may test clear of these health conditions but could still be a carrier and/or develop a health condition with aging. Continued testing is recommended.
