AWARDS OF MERIT

The judge may, at her discretion, recall into the ring up to 5% of entries to receive Award of Merit Certificates. These Certificates are reserved for those quality animals the judge feels are worthy of final consideration for Best of Breed. The procedure for the Awards of Merit selections are as follows: The Best of Breed Judge is given the authority to select up to 5% of entries. If the judge does not retain all of the Best of Breed competitors in the ring until the Best of Breed selection is made, she will retain the most highly regarded specimens in the ring after the final cut. Those dogs will then be asked to remain in the ring after the Best of Breed, Best of Winners & Best of Opposite Sex to Best of Breed have been chosen and have received their ribbons and trophies. After that, the judge selects the Award of Merit winners from among those still in the ring & they are given their awards. The Best of Breed dog, of course, is not eligible for an Award of Merit, but any of the other dogs are, including Best of Winners & Best of Opposite Sex to Best of Breed. The major consideration is that the judge select 5% of entries, or less, that he or she considers to be the nearest in overall quality to the Best of Breed.
